

## JT Cleary Acquired by NY-based Tully Group

**For Immediate Release**, September 6, 2018, Chestnut Ridge, NY: Tully Group, one of the nation's largest privately held construction firms, has acquired New York-based marine construction and dredging company, JT Cleary Inc., which will continue to operate as a stand-alone company under the same name. "The Tully Group chose JT Cleary to expand our capabilities into the marine construction market," said Peter Tully, President of Tully Construction. "JT Cleary is the premier marine construction and dredging company in the New York Harbor area, and will be an integral part of our growth strategy."

"As part of the Tully Group, JT Cleary is well-positioned to expand within the dredging, marine construction and deep foundation markets," noted Jim Cleary, President of JT Cleary. "Tully brings generations of construction experience, as well as the resources for further investment in our fleet to execute our vision of being the top marine construction and dredging company on the Eastern seaboard."

### **About Tully Group**

The Tully Group is one of the nation's largest privately held construction firms. Construction experience includes dam and reservoir, environmental, large utility, highway, bridge, airport, transit, site work, disaster and recovery and treatment plants. Tully also operates asphalt plants, quarries, waste transfer stations, and recycling facilities. Based in New York City, its affiliates include Tully Construction, Tully Environmental, Thalle Construction, ClearBrook, and JT Cleary. [www.tullygroup.us](http://www.tullygroup.us)

### **About JT Cleary**

JT Cleary specializes in marine construction, dredging, deep foundations and diving. Based in the greater New York City area since 1995, the company performs work along the eastern seaboard with its state-of-the art fleet and the top talent in the marine construction sector.
