

JT Cleary Dredges at US Coast Guard Annapolis Station

For Immediate Release, March 19, 2018, Chestnut Ridge, NY: The US Coast Guard awarded a contract for \$1.07 million to JT Cleary for maintenance dredging of Fishing Creek at the USCG Station in Annapolis, MD. The scope of work involves mechanically dredging the Fishing Creek Channel and mooring areas to a minimum depth of -9 feet MLW. Dredged sand and silt will be transported by barge and pumped to an upland facility for placement.

About JT Cleary

JT Cleary is a leader in marine construction, delivering innovation with the highest standards of quality and safety. Capabilities include a variety of marine structures, dredging, diving, and deep foundations. Based in the greater New York City area since 1995, the company performs work along the eastern seaboard and gulf coast with its state-of-the art fleet and the top talent in the marine construction sector.
