

JT Cleary Installs Wave Attenuators in ONE15 Marina

For Immediate Release, March 9, 2018, Chestnut Ridge, NY: JT Cleary was awarded the contract to install new floating wave attenuators for the ONE15 Marina in Brooklyn Bridge Park, New York. Construction will be timed so as not to interfere with the boating season. The project scope also includes installing ADA gangways and platforms at A-Dock North, D Dock and Pier 5.

About JT Cleary

JT Cleary is a leader in marine construction, delivering innovation with the highest standards of quality and safety. Capabilities include a variety of marine structures, dredging, diving, and deep foundations. Based in the greater New York City area since 1995, the company performs work along the eastern seaboard and gulf coast with its state-of-the-art fleet and the top talent in the marine construction sector. www.jtcleary.com
