

JT Cleary Awarded Contract for Shoreline Restoration on Rikers Island

For Immediate Release, July 11, 2019, Flushing, NY: The New York City Department of Correction awarded JT Cleary a \$22.5 million contract for the Sandy Damaged North Shore Stabilization project on Rikers Island. The shoreline was damaged during Hurricane Sandy, and restoration work includes installation of a revetment with 60,000 tons of stone and construction of a steel sheet pile wall with pile cap and railing. Work also involves repair of an outfall structure, demolition, clearing and grubbing of debris along the shoreline, repair of paved areas and guiderail, placement of topsoil and seeding.

About JT Cleary

JT Cleary is a leader in marine construction, delivering innovation with the highest standards of quality and safety. Capabilities include a variety of marine structures, dredging, diving, and deep foundations. Based in New York City since 1995, the company performs work along the eastern seaboard of the US with its state-of-the art fleet and the top talent in the marine construction sector. www.jtcleary.com
